

MV2LED AC/DC Rotating Beacons

A Compact Warning Light for Industrial Applications – Now with LEDs

The Tri Lite Mars MV2LED beacon is a compact, industrial warning light that now includes a bright and energy efficient LED bulb. It's ideal for use on commercial vehicles or for indoor/outdoor signaling, safety, and warning applications. A shatter-resistant polycarbonate dome and strong, anodized aluminum base ensure long lasting performance. The 12-24 VDC models utilize a belt-driven rotating reflector for quiet reliability, while the 120 VAC models use a direct drive that offers simplified maintenance. For complete versatility the MV2LED is available with permanent or magnetic mounting styles. Available in six colors.

New LED Replacement Bulbs

120 VAC

12-24 VDC

Key Features:

- Energy efficient LED bulb
- 3-year limited warranty
- Permanent or magnetic mounts
- Outdoor rated
- Made in the USA

Mars LED Replacement Bulbs

Converting other select rotating beacons to efficient LED technology is easy! Mars LED replacement bulbs last thousands of hours longer, are visibly brighter, and drastically lower amp draw. Available for 12-24 VDC and 120 VAC models.

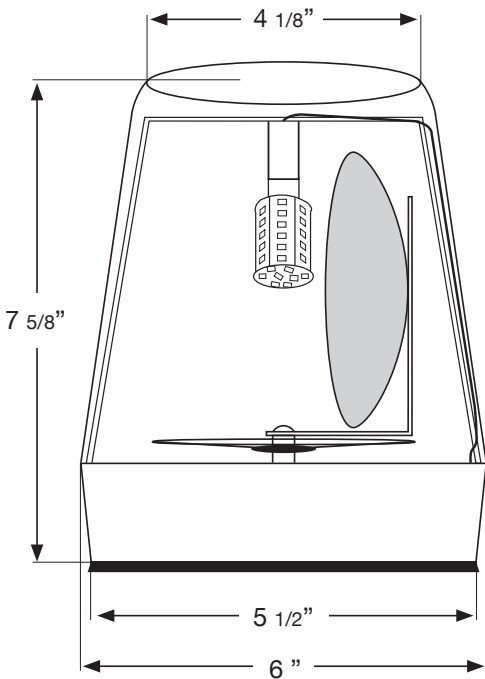

Why replace regular bulbs with LED Bulbs?

- **Long life** — Mars bulbs are rated at 30,000 hours
- **Low power draw** — 120mA at 12 VDC / 40mA at 120 VAC
- **Bright, focused spotlight** — Optimized to grab attention, even from a distance
- **Simple installation**

MV2LED Specifications

Physical Specifications

AC: Direct Drive

DC: Belt Drive

Technical Specifications

MV2LED-120P: 120 VAC, 40mA, 2.5 W

MV2LED-12: 12 VDC, 120mA, 1.8 W

80-90 flashes per minute.

Ship weight is under 5 lbs.

Part Number	Description
MV2LED-120P/*	120 VAC Permanent Mount
MV2LED-#P/*	12-24 VDC Permanent Mount
MV2LED-#M/*	12-24 VDC Magnetic Mount
* Specify Dome Color	
A – Amber, B – Blue, C – Clear	
P – Purple, G – Green, R – Red	
# Specify Voltage	
12, 24	

Part Number	Replacement Part Information
200503	Amber Dome
200502	Red Dome
200506	Blue Dome
200505	Green Dome
200509	Clear Dome
203211	Purple Dome
426012	120 VAC LED Replacement Bulb
426013	12-24 VDC LED Replacement Bulb
800587	Small Drive Belt
800567	Large Drive Belt
