

The DLFAN is an industrial-grade fan providing excellent airflow for loading docks and warehouse work areas. The powerful motor operates at 3 speeds, creating high-volume flow, and is controlled via a switch at the back of the unit. The preassembled mounting bracket enables easy installation onto dock light arms and is adjustable. The adjustable bracket provides a high degree of freedom, providing fine control over the direction of airflow.

Durable and reliable, the DLFAN is built to withstand the demanding conditions of industrial and warehouse settings, making it an ideal addition to loading docks that require both illumination and improved ventilation. Its seamless integration with existing dock lighting systems ensures that it will enhance workplace comfort without requiring significant setup or maintenance.

### Features

- **3-Speed Motor:** Provides adjustable airflow to suit different work environment needs.
- **User-Friendly Controls:** Easily accessible switch on the rear of the fan for speed adjustments.
- **Adjustable Mounting Bracket:** Preassembled and fully adjustable for quick installation and versatile airflow direction.
- **ETL Listed:** Certified for safety and performance to meet industry standards.
- **OSHA Compliant:** Designed to adhere to Occupational Safety and Health Administration regulations for workplace safety.
- **Made in the USA:** Proudly manufactured in the USA.

## Specifications

<b>SKU</b>	DLFAN
<b>Motor</b>	3-speed, 1/6 HP
<b>Voltage</b>	120V, 60Hz
<b>Weight</b>	21.4 lbs
<b>Material</b>	Powder coated steel, black
<b>Cord Length</b>	9 ft.
<b>Cord Type</b>	S-type with 5-15P plug
<b>Size</b>	21" x 21.5" x 16" (horizontal bracket orientation) 21.9" x 21.5" x 9.2" (vertical bracket orientation)
<b>Compliances</b>	ETL Listed
<b>Warranty</b>	1 year

## Fan Performance

Motor Setting	Low	Med.	High
<b>Airflow (CFM)</b>	2660	2970	3190
<b>RPM</b>	1100	1300	1500
<b>Amperage</b>	1.0	1.3	1.5
<b>Wattage</b>	125	150	180
<b>Noise (dB)</b>	49	58	67
